## \* Read the following passage then answer the questions below:

While my friend Tom was reading in bed, two thieves climbed into his kitchen last night. After they had entered the house they went into the dining room. It was very dark so they turned on a torch. While they were looking for something to steal, they heard a strange sound behind them "What's up? "Someone called. They were <u>frightened</u> and dropped the torch and ran away as quickly as they could.

Tom heard the noise and came downstairs quickly. He turned on the light but he couldn't see anyone. The thieves had already gone. But Tom's parrot was still there. "What's up?", it called. "Nothing", Tom said and smiled.
